Your advisor’s name is available on Agora (Option 3: *View Academic Advisor*). If you cannot locate your advisor, contact him/her by e-mail to are an appointment. Faculty e-mail addresses are listed on-line under *Directories* on *BCInfo*.

CSOM students should reference <http://www.bc.edu/schools/csom/undergraduate/academics/> before registering.

Advisor Changes—Undergraduate

Students who want to request a change of advisor may obtain the forms in the following locations:

A&S	Gasson 109

Closed and Restricted Courses

Courses that are restricted by school, degree, or major are marked with an asterisk (*), and the specific restrictions are printed underneath. Students who want an override into a closed or restricted course should go to the department offering the course. The department will decline the request, add the course to your schedule, or give you an override to be processed in the Office of Student Services.

The override form must be stamped in the appropriate section: *Open/Restricted* overrides school, major, degree, and department restrictions; *Override for a Closed Course* overrides all restrictions and size limits for closed courses; *Approval for Time Conflict* overrides a corequisite or allows you to be registered for two courses that conflict in time.

You cannot process overrides through *U-Dial* or *U-View Plus*.

Degree Audits—Undergraduates

A degree audit is a computer-generated analysis that enables an undergraduate (except for Woods College of Advancing Studies) or law student and his or her advisor to assess the student’s academic progress and unfulfilled requirements. Students in the Woods College of Advancing Studies can meet with an advisor and obtain a degree audit at any time.

The degree audit is a valuable tool for academic planning because it matches the courses that the student has taken with the requirements of his or her degree program or anticipated program. Students receive degree audits each semester prior to registration and have access to actual and simulated degree audits on Agora. Students are responsible for completing all the requirements listed on the degree audit prior to graduation.

Review your audit carefully in consultation with your advisor before you register.

If a course on your degree audit is not being counted correctly because of a system error, contact your Academic Recorder (A&S: Mary McCrosson, CSOM and CSON: Terry Rezzuti, and LSOE: Terry Lepore). If you want a course to count for a requirement that it does not usually fulfill, obtain a *Degree Audit Course Substitution and Waiver* form from the Office of Student Services, and take it to the department for approval. Return the form with the appropriate stamp to Student Services for processing.

Overloading

Students who have earned in a full course load at least a 3.0 overall average or a 3.0 average in the semester immediately prior to the one for which the overload is sought may register for a sixth course. Students should register on-line for the sixth course during the first week of class and must notify the Associate Dean by November 1, in the first semester and March 15, in the second semester if they wish to drop the course.

Students whose averages are between 2.0 and 3.0 may, under exceptional circumstances, be allowed by an associate dean to enroll in a sixth course. Students are not permitted to take a sixth course in their first semester at Boston College.

Overload courses taken for acceleration will carry an extra tuition charge. This includes fifth courses taken during senior year.

Students in a Woods College of Advancing Studies degree program take a maximum course load of three courses per semester. One course may also be taken during May-June and one during Summer Session. Authorization for one additional course will be given only if a student has completed three courses in the previous semester, each with a grade of B- or above. Courses taken without reference to this regulation do not advance a student’s degree program.

Withdrawing from a Course or from the University

The last day to withdraw from a spring course with a “W” or to withdraw from the University is April 25, 2006.

Students will not be permitted to drop courses during the last two weeks of classes or during the exam period. Students are still registered at this point and will receive a final grade for the course. To withdraw from a course or from the University, see your Dean.

Woods College of Advancing Studies (WCAS)

WCAS designates a limited number of courses that are available to full-time undergraduate day students. All full-time undergraduate students are limited to one WCAS course each semester. Freshmen may not enroll in any WCAS courses.

WCAS courses can be used to fulfill elective requirements. Students must check with the appropriate department if they intend to use a WCAS course to fulfill a Core or major requirement.

For the fall semester, students can sign-up for WCAS courses beginning at 8:00 a.m. on the day of their registration appointment time. There are a limited number of seats in each course, and they are distributed on a first-come, first-served basis. Check with the WCAS office, McGuinn 100, on the first day of classes in September to see if additional seats are available.

General Information

Audits

Undergraduate

Undergraduate students may not audit a course with the exception of undergraduates in WCAS.

Graduate

Students in GSA&S and CGSON may register for an audit on-line. CGSOM, GSSW, Law School, and LSOE students must consult the Associate Dean’s Office before they can audit a course. WGCAS students may not audit courses.

After September 13, graduate students who wish to change a course from credit to audit or audit to credit must go to the Associate Dean’s Office and complete a Graduate Course Exception form. Students in the Carroll School of Management may change a course from credit to audit but not audit to credit.

If you drop an audit before September 13, you will receive 100% refund. You may not drop an audit after September 13. There is no cancellation of tuition for a course changed from credit to audit.

Credit Variation

If you need to change the number of credits for a course, pick up a Graduate Credit Variation form from the Office of Student Services. Have the form approved by the Associate Dean’s Office and return it to Lyons Hall by September 13. After September 13, bring the form to the Office of Student Services and pay for the additional credits.

Cross Registration

Boston Theological Institute

Theology majors and students in the Institute of Religious Education and Pastoral Ministry who want to cross register through the Boston Theological Institute (BTI) should pick up a cross-registration petition in Lyons Hall and return it with an authorization by the appropriate date. Students are expected to consult with their advisor or department chairperson before cross registering. Graduate Theology majors may take up to half of their courses through BTI.

The following colleges and universities participate in the BTI cross-registration program.

- Andover Newton School of Theology
- Boston University School of Theology
- Episcopal Divinity School
- Gordon-Conwell School of Theology
- Harvard Divinity School
- Holy Cross College (Greek Theology School)
- St. John’s Seminary
- Weston School of Theology

The Consortium

Under a program of cross registration, sophomores, juniors, and seniors may take one elective course during each semester at Boston University, Brandeis University, Hebrew College, Hellenic College, Pine Manor College, Regis College, or Tufts University if a similar course is not available at Boston College. Cross registration forms are available in the Office of Student Services in Lyons Hall.

Graduate students, except Law students, may cross register for one course each semester at Boston University, Brandeis, and Tufts. M.B.A. students are not permitted to register at Brandeis University, and students in the Graduate Finance Program are not allowed to cross register at any of the universities. Cross registration materials are available in Lyons Hall.

Law School students may cross register for classes only at Boston University Law School and only if the course they wish to take at BU will not be offered at any time during the current academic year. Students wishing to cross register must see the Director of Academic Services for permission.

The Graduate Consortium in Women’s Studies (<http://mit.edu/gcws/>) is an inter-institutional enterprise established to advance the field of women’s studies and enlarge the scope of graduate education through new models of team teaching and interdisciplinary study. Faculty and students are drawn from six member schools: Boston College, Brandeis, Harvard, Northeastern, MIT, and Tufts. Graduate students enrolled in degree programs at Boston College may with the permission of their department apply to participate in this program. Registration forms will be mailed from the Consortium to accepted students.

Graduate School of Social Work

Under a program of cross registration, juniors and seniors matriculated in the B.S.W. Program at Regis College and Sociology and Psychology majors at Stonehill College may take selected courses in the Graduate School of Social Work. For more information, see the Assistant Dean for Academic and Student Services in the Graduate School of Social Work.

Dropping, Adding, or Changing a Major

Students who want to drop, add, or change a Biology, English, Mathematics, Romance Languages and Literatures, Sociology, or Theater major or an Environmental Studies minor, must see the

department chairperson. Juniors and seniors who want to declare a Communication major must also see the department chairperson. For all other majors, go to Lyons Hall.

E-Mail

Student Services uses e-mail as their preferred means of contacting students.

E-mail accounts are automatically created for all full-time undergraduates and all graduate students. To view your e-mail address, log on to Agora at <http://agora.bc.edu>. You will need your username and password to access your account. Select *U-View* from the pull down menu and click on *E-Mail Address*. Your e-mail address will be displayed. From this screen you may also forward your BC account to another e-mail account.

All notifications from the Office of Student Services are sent to your BC account.

Failure to show proof of immunizations within 30 days from the start of classes will result in a block on your registration and an administrative fee of \$50.00 will be charged to your student account.

The only exceptions permitted are conflicts with personal religious belief or documentation by a physician that immunizations should not be given due to pre-existing medical problems.

Internal Transfer

Matriculated students wishing to transfer from one undergraduate college to another within Boston College should contact the Associate Dean’s Office of the school to which admission is sought. Students may apply at the end of their freshman year.

Students applying for internal transfer should be in good academic standing (some schools may require a 3.0 GPA) with no deficiencies. All students must complete at least 3 (4 in CSON and LSOE) semesters of full-time study after the transfer.

Applications are normally submitted to the Associate Dean by the last class day of the previous semester.

Loan Certification

The National Student Clearinghouse will process deferment forms for fall 2006 after September 13 in accordance with Federal regulations. If you need an enrollment certification for deferment of a student loan, mail the forms to the following address: Office of Student Services, Lyons Hall, Chestnut Hill, MA 02467 or stop by Lyons Hall. Your deferment form will be forwarded to the National Student Clearinghouse. If the enrollment certification does not require an official school seal or signature, you may process the certification on-line at <http://agora.bc.edu>.

No Carroll School of Management student may take a College of Arts and Sciences requirement (including Core or Carroll School of Management curriculum requirements) pass/fail.

Pass/Fail Electives—Graduate

A P has no effect on the GPA, but if the student fails the course, the F is calculated into the GPA. Field Education in the Graduate School of Social Work is graded on a pass/fail basis. A pass/fail option is available for a limited number of other courses when approved by the Assistant Dean for Academic and Student Services. Connell Graduate School of Nursing students enroll in NU 810, NU 811, NU 812, NU 813, NU 901, and NU 902 on a pass/fail basis. Confidentiality of Student Records

Certain personally identifiable information from a student’s education record, designated by Boston College as directory information, may be released without the student’s prior consent. This information includes name; term, home, local, and electronic mail addresses; telephone listing; date and place of birth; photograph; major field of study; enrollment status; grade level; participation in officially recognized activities and sports; weight and height of members of athletic teams; dates of attendance; school/college of enrollment; anticipated date of graduation; degrees and awards received; the most recent previous educational agency or institution attended; and other similar information.

Electronic access to selected directory information is available to both the Boston College community and the general public. A student who so wishes has the right to prevent the release of all directory information including verification of enrollment or to suppress selected directory information. In order to do so, students must enter privacy preferences in Agora, Boston College’s secured intranet environment (<http://agora.bc.edu/>). This must be done by the end of the first week of enrollment. Suppression is available by selecting *U-View* and *Privacy Preferences*. All nondirectory information is considered confidential and will not be released to outside inquiries without the express written consent of the student.

All nondirectory information is considered confidential and will not be released to outside inquiries without the express written consent of the student.

Disclosures to Parents and Students

When a student reaches the age of 18, or attends a postsecondary institution regardless of age, FERPA rights transfer to the student. Guidelines for the disclosure of information to parents are as follows:

- Parents may obtain directory information at the discretion of the institution.

- Parents may obtain nondirectory information (e.g., grades, GPA) at the discretion of the institution and after it is determined that the student is legally dependent on either parent.
- Parents may also obtain nondirectory information if they have a signed consent from the student.

Voter Registration Information

For information about how to register to vote students can access the *Voter Registration* link (<http://www.bc.edu/offices/stserv/voterinfo/>) on the Student Services website.

Students who are not Massachusetts residents should access the *Voter Registration Deadlines* link for more information about their state’s deadlines and filing procedures. If the state requires that a ballot be notarized, go to the Office of Student Services in Lyons Hall, where notary services are available upon request.

Notice of Non-Discrimination

Founded by the Society of Jesus in 1863, Boston College is dedicated to intellectual excellence and to its Jesuit, Catholic heritage. Boston College recognizes the essential contribution a diverse community of students, faculty and staff makes to the advancement of its goals and ideals in an atmosphere of respect for one another and for the University’s mission and heritage. Accordingly, Boston College commits itself to maintaining a welcoming environment for all people and extends its welcome in particular to those who may be vulnerable to discrimination, on the basis of their race, ethnic or national origin, religion, color, age, gender, marital or parental status, veteran status, disabilities or sexual orientation.

Boston College rejects and condemns all forms of harassment, wrongful discrimination and disrespect. It has developed procedures to respond to incidents of harassment whatever the basis or circumstance. Moreover it is the policy of Boston College, while reserving its lawful rights where appropriate to take actions designed to promote the Jesuit, Catholic principles that sustain its mission and heritage, to comply with all state and federal laws prohibiting discrimination in employment and in its educational programs on the basis of a person’s race, religion, color, national origin, age sex, marital or parental status, veteran status, or disability, and to comply with state law prohibiting discrimination on the basis of a person’s sexual orientation.

To this end, Boston College has designated its Executive Director for Institutional Diversity to coordinate its efforts to comply with and carry out its responsibilities to prevent discrimination in accordance with state and federal laws. Any applicant for admission or employment, and all students, faculty members and employees, are welcome to raise any questions regarding this policy with the Office for Institutional Diversity. In addition, any person who believes that an act of unlawful discrimination has occurred at Boston College may raise this issue with the Assistant Secretary for Civil Rights of the United States Department of Education.

Disabilities Services Office

Services for undergraduate and graduate students with hearing, visual, mobility, medical, psychiatric, and temporary disabilities are coordinated through the Assistant Dean for Students with Disabilities. Academic support services provided to qualified students are individualized and may include sign language interpreters, books on tape, extended time on exams, facilitation of program modification, course under-loads, readers, scribes, and note-takers. The Assistant Dean works with each student individually to determine the appropriate accommodations necessary for the student’s full participation in college programs and activities. For more information, contact the Assistant Dean at 617-552-3470 or visit their website at <http://www.bc.edu/disability/>.

Services for students with learning disabilities and Attention Deficit Hyperactivity Disorder are coordinated through the Connors Family Learning Center. The Center, located in O’Neill Library, provides academic support services and accommodations to undergraduate and graduate students. The Center’s services are extensive and vary depending upon the unique needs of the individual student. For more information, contact the Center at 617-552-8055, or visit their website at <http://www.bc.edu/libraries/centers/connors/.d> across at least eight sessions in a classroom or other setting where they can work with one or more children.

Graduate Summer Sessions

Graduate students are able to register on-line (*U-Dial* or *U-View Plus*) for graduate summer courses any time on or after April 5, 2006. The registration deadline for each course is 11:00 p.m. on the first scheduled class meeting. To register after the deadline, follow the Summer Late Registration procedures listed below.

New Students

Anyone wishing to take graduate level courses during the summer must first be accepted either as a special student or as degree student. Contact the appropriate Admission Office for application procedures.

Special students will be able to register upon acceptance. To complete the registration process go to Lyons Hall to obtain an Eagle One card (ID), password, and a parking permit. Students will not be able to register without a password.

Summer Late Registration Procedure

To register for a course(s) after the registration deadline follow the steps listed below:

- Obtain a late Graduate Registration form from Lyons Hall or by calling the Office of Student Services at 800-294-0294.
- Obtain signatures from the instructor for each course on the form
- Return the form with the required signatures to Lyons Hall and arrange for payment. Forms received without the required signatures or without payment will not be processed.

Summer Course Drops and Withdrawals

If you need to drop a course you will receive a 100% refund of tuition if you process the course drop on *U-View Plus* or *U-Dial* by 11:00 p.m. on the first class day or through your dean’s office until the second class day.

To withdraw from a course after the first class meeting, go to your Associate Dean’s office. If you are entitled to a refund of tuition, the Office of Student Services will issue an appropriate refund.

If you withdraw from a course, that course will be listed on your transcript as a withdrawal, and no refund will be issued.

Audits

Eligible graduate students may register for the course they wish to audit on *U-View Plus* or *U-Dial*. If you registered for a course as an audit you will receive a 100% refund of tuition if you drop the audit by the first class day. After the first class day, you may not drop an audit. There is no refund for students who change from credit to audit.

To change a course from audit to credit or credit to audit, go to your Associate Dean’s office and complete a Graduate Course Exception form. IREPM students should contact Donna Derosa.

Pass/Fail

Eligible students may sign up to take a course pass/fail through *U-View Plus* or *U-Dial* at the time they register. To declare a course pass/fail in the Graduate School of Social Work, contact Liz Cinquino at 617-552-4020. IREPM students should contact the Institute of Religious Education and Pastoral Ministry. Students in CGSOM, GSA&S, LGSOE, and WGCAS may not take courses counting toward the degree pass/fail.

Summer Credit Variation

If you need to change the number of credits for a course, pick up a Credit Variation form from the Office of Student Services. Have the Associate Dean’s office sign the form and return it to Lyons Hall.

Tuition Refund Schedule

By the second day of class, 100% of tuition charged is cancelled. No cancellation of tuition is made after the second day of class.

Billing Information

On May 26, 2006, the Office of Student Services will mail you a bill for the summer semester. Bills must be paid by June 15, 2006.

Students are encouraged to register before May 26 to ensure proper billing. Charges for courses added or dropped after May 26 will be reflected on the June 19, bill. After May 31, 2006, all billing will be done electronically. Visit <http://www.bc.edu/mybill/> for more information.

Schedule of Courses—Fall 2006

Explanation of Course Numbers

The Boston College Course Number consists of seven characters. The first two characters (alphabetic prefix, e.g., “MA”) indicate the department or program offering the course; the last two characters indicate the section number. The middle three characters indicate the level of the course. When listing courses the entire seven-character symbol must be used as well as the four digit INDEX number which appears to the left of the course. For example: 9999 MA333.01.

Meeting Days

The meeting days of each class are listed in this booklet as follows: M=Monday, T=Tuesday, W=Wednesday, TH=Thursday, F=Friday.

Level of Courses

Course levels are designated in this booklet as follows:
CORE—Courses fulfilling University Core requirements
ONE—Undergraduate electives
TWO—Undergraduate courses designed primarily for majors
THREE—Courses for undergraduate and graduate registration
GRAD—Courses for graduate registration

Meeting Times

The meeting times of each class are listed in this booklet. Unless otherwise stated, class periods are of either a 50 or 75 minute duration. Seventy-five minute periods are designated by an asterisk (*) after the meeting day and time (e.g., T TH 1:30*)

U-View Plus

TN3270 on the IBM or Macintosh

TN3270 is a software tool that allows your networked IBM or Macintosh to establish “terminal sessions” with IBM mainframe computers such as the Boston College UIS System or the QUEST system in order to access *U-View* or Quest.

To download TN3270, you will need your username and password. You may download this program from our download center at <http://www.bc.edu/software/applications/telnet/>.

To register for courses using UIS, start a TN3270 session by clicking through the following: **Start, Programs, Eaglenet, TN3270.**

The TN3270 program has been configured to open automatically to BC’s *University Information System* (UIS) screen. If a login window does not open up when you start the application, try “Choose Options” from the Setup menu. Type BCVMCMS.BC.EDU in the Default Host box and click on the OK button. The UIS Login screen will appear.

- Enter your username and password.
- To register for courses, type 2 for UIS. Choose 06 for U-View Your BC Records, 2 for Student Information, and then “R.”
- Enter the 4-digit index number at the left of the course (ex: 9749) or the 5-digit course code (ex: RL21504). Hit enter. If the course is available, you will be given the following options:
 - **Done:** To update your schedule and exit
 - **Save:** To update your schedule and continue
 - **Back:** To retrieve your schedule thus far
- Choose one and type it on the line underneath your last course. If you have not finished registering for courses, be sure to “Save” often, so you do not lose your seat in any of your course selections.
- To log off from the registration screen, type “Done” and then follow the instructions on each subsequent screen. Exit the registration transaction completely and then reenter to ensure that you have registered successfully for all your courses.

Search Features

Use the “Browse Courses” screen to search for all (a) or open (o) sections of a course or to search by course title. From the registration screen, type “?” over the course to find open or all sections of that course or type “?” on a blank line and then the department abbreviation (ex: BI). Check course status to determine if it is open or restricted. If you want a particular section, enter the number on the upper left hand side of the Browse Courses screen and then press enter. Type “R” to return to the registration screen without making a selection.

Problems/Error Messages

If any of the error messages listed below appear next to a course, then it is not available:

- **Corequisite:** You need to add the course's corequisite to your schedule. The options for the corequisite are listed at the bottom left of the screen. Choose one and then type the index number on the next available line.
- **Course Closed:** There may be no seats left in the course or the department may be holding seats or sections of courses so they are unavailable during certain periods of registration.
- **Department Permission:** Some courses including all graduate courses may be available to undergraduates with department permission only.
- **Duplicate Course:** You may have listed two sections of the same course.
- **Invalid Index:** You have entered an incorrect index number. Search “Browse Courses” on-line or the printed *Schedule of Courses* for the correct number.
- **Restricted:** Courses may be restricted by school (e.g., For Education Only), by degree (e.g., For Doctoral Students Only), by major (e.g., For Economics Majors Only), or by class year (e.g., For Freshmen Only).
- **Time Conflict:** You have listed two courses that are scheduled at the same time or overlap a period of time.

You will not be able to add a course or save your schedule unless you resolve the problem or remove the course from your schedule.

U-View via Modem

Modem Setup

- In your communications package, set your modem speed to the speed rated for your modem. The other settings remain the same: 8 bits, no parity, hardware handshake, or flow control. Error correction should be turned off.

Logging On

- Use your communications software (e.g., Mac Terminal, ZTerm, Reflection, ProComm, YTerm) to dial the modem pool number: 1 617 552 2790. Use SPACES to separate the numbers.
- When asked for a host name, enter BCVMCMS.BC.EDU.
- Press <RETURN>. On the blank line under “Please enter a terminal id” prompt, type 1 for VT100, unless you know that your machine is otherwise.
- The BC screen will appear. Type your username on the “Enter your Username, Eagle Number...” prompt and press <RETURN>. (You can use any of the listed options.)
- Tab once and type your password on the Enter Your Password: prompt and press <RETURN>.
- You are now at the APPLICATION MENU screen of UIS. Select the appli-

cation you wish to use (e.g., UIS, QUEST) and type its corresponding number on the SELECTION=> prompt and press <RETURN>. (For *U-View*, type 1 on the UIS system.)

- You are now at the System menu for UIS. Your options will vary. Type the number for *U-View* (or other service) on the ENTER SELECTION line and press <RETURN>.
- Select “R” to register.

Logging Off

- If you are using UIS mail, return to its main menu. Type L on the ENTER YOUR CHOICE line and press <RETURN>.
 - If you are using *U-View*, return to its main menu. Type L on the TYPE SELECTION HERE...> line and press <RETURN>.
 - The APPLICATION MENU screen will appear. Type L on the SELECTION=> line and press <RETURN>.
 - You are now at the BC screen. Type “Y” on the “Enter ‘Y’ to disconnect” prompt and press <RETURN>.
 - At the “Type ‘C’ Servername” prompt, type logf to disconnect.
- “C” option on *U-View Plus* (View Courses) can access both fall and spring courses.

U-Dial

- Call the Boston College Voice Response Unit at 617-552-8800. If you are calling outside the 617 area code, be sure to dial 1 + 617 before 552-8800.
- Enter your **Eagle Number** or your **Social Security number**.
- Enter your 5-digit **Personal Identification Number (PIN)**.
- Once you have accessed the voice response unit, the tape will list the main menu of transactions. (Review the selections below to be sure you understand the differences between transactions.) The system will then request that you choose one of the following transactions:

TO ADD A COURSE: If you wish to **add** a course, press 1 when prompted to do so. Then follow the instructions at each prompt until the add transaction is completed.

TO DROP A COURSE: If you wish to **drop** a course, press 2 when prompted to do so. Then follow the instructions at each prompt until the drop transaction is completed.

TO ADD AND DROP A COURSE: If you wish to **drop** one course and then **add** one course, press 3 when prompted to do so and follow the instructions at each prompt until the drop/add transaction is completed. This transaction will *not* complete the drop *unless* you successfully add one course in its place; therefore, you shouldn’t worry when the drop transaction appears not to have gone through. This transaction should be used if you are changing the corequisite for a course (a lab or a discussion group).

TO CHECK THE STATUS OF A COURSE: If you wish to check quickly to see if a particular course is **open**, press 4 when prompted to do so. Then follow the instructions to check the status of the course.

TO LIST COURSES: Press 5 to hear the courses you are currently registered for or to confirm your transaction(s).

TO END CALL: Press 9 to disconnect from the Voice Response Unit. Be sure to listen carefully to instructions as you proceed with any transaction. **If you make a mistake at any time, press * to start over.**

Once you are familiar with the system, you can bypass the recorded message by entering the information requested at the beginning of the prompt.

Problems/Error Messages

You may encounter a problem or receive an error message while using the voice response unit. The most probable messages/problems and solutions are listed as follows.

Problem/Message	Probable Solution
1. Can’t access system	Use a touch-tone phone not a rotary phone, or try from another phone. Your phone may be malfunctioning.
2. System not available	You’re calling outside the hours of 8:00 A.M. to 11:00 P.M. seven days a week. Please call during <i>U-Dial</i> hours. Another possibility is the system is experiencing unscheduled downtime. Please call back in 15 minutes.
3. Busy signal	The system’s incoming telephone lines are all in use. Try again later.
4. System does not answer	The Voice Response Unit is not functioning. Try again later.
5. Wrong ID	Check to make sure that you are inputting your Eagle or Social Security number correctly.
6. Wrong PIN	Check to make sure that you are inputting your PIN correctly.
7. Wrong index numbers	Check to make sure that you are inputting the correct 4-digit index number, not the course number (e.g., 9999 rather than EN999.09). Refer to the <i>Schedule of Courses</i> for index numbers.

8.

Time conflict message

Check the *Schedule of Courses* or the Course Status List available on *U-View Plus*. If there is still a problem, there may have been a time change. What is on the computer is correct since it is the most up-to-date.
9.

The course you want is:

• a sixth course

Students in A&S, CSOM, and CSON who maintain a 3.00 GPA, may add a sixth course on-line (up to 20 credits) during the first week of classes.

• restricted to a major or school

You must get the appropriate departmental approval to be allowed to override these restrictions.

• closed or requires department

For these restrictions, see the department. If they issue an override, obtain the necessary stamp(s) and/or signature(s) and bring the approved form to **Lyons Hall by 4:30 P.M. on September 13, 2006**.

If the above does not resolve your problem or if you have a difficult problem, call 617-552-3300 during normal business hours, Monday-Friday 8:45 A.M. to 4:30 P.M.

Connecting to UIS via an Eaglenet Connection

TN3270 on the IBM

TN3270 is a software tool that allows your networked IBM to establish “terminal sessions” with IBM mainframe computers such as the Boston College UIS System or the QUEST system in order to access *U-View* or Quest.

Starting TN3270

Double-click on the TN3270 icon. It is located in the **PC/TCP Applications** window located in your Program Manager.

Logging on to UIS

- Once you have double-clicked on the TN3270 icon, you will see the **Open** dialog. If this is your first time using this program, the **Sessions Available:** box will be blank.
- NOTE: The programs TNVT and TN3270 use the same dialogs, so if you save a session in TNVT and then open TN3270, you will see it in the Sessions Available box as well.**
- Click** on the **Cancel** button. You will now see a blank screen. **Choose New...** from the **Session** menu at the top of your screen.
- You will now see the **New** dialog. Type **bcvmcms.bc.edu** in the **Host Name or IP Address:** box and click on the **Connect** button.
- You will see a message, *Trying to connect to bcvmcms.bc.edu* then *Entering 3270 mode* in the lower left corner of your screen. The BC screen will now appear. Follow the on-screen instructions.

If you do not know your username, consult your *Communications Directory*.

If you have forgotten your PIN (Personal Identification Number) or password, you must go to the O’Neill Computing Facility **in person** and present your valid Boston College ID. An authorized person will reset it for you.

Saving a Session

(“shortcuts” to connect to a host)

Boston College’s University Information System (UIS) is being used for this example. You can save any other session to any other host in the same way.

- Open** a connection to UIS or any other Host computer.
- Once you are through, log out of UIS as you normally do. **Choose Close** from the Session menu.
- You will now see the **TN3270** dialog asking you if you want to save this session. **Click** on Yes.
- You will now see the **Save As** dialog box. Type **UIS** or **bcvmcms** (matter of preference) in the **New Session Name** box. **Click** on the **Save** button.

Opening an Existing Session

(using “shortcuts”)

- Double-click** on the TN3270 icon if you are not logged in, or **choose Open** from the **Session** menu if TN3270 is already open. You must close a current session to open a new one.
- You will now see the **Open** dialog box. You should see UIS or bcvmcms (depending on what you named it) in the **Sessions Available:** box.
- Click** on the name to highlight and **click** on the **Connect** button. You should now see the BC screen.

Quitting TN3270

- Log out** of whatever system you are currently connected to.
- Choose Close** from the **Session** menu.
- Choose Exit** from the **File** menu. You will be asked if you want to save the session. If you have already saved a session document for UIS, or any other Host computer, **click** No.

Telnet Users

- Choose New...**from the **Session** menu at the top of your screen.

Starting TN3270

- Double-click** on the TN3270 icon.

Logging on to UIS

- Choose *Open Connection* from the **File** menu.
- Type **BCVMCMS.BC.EDU** in the **Session name** box and click on the OK - button.

Ex: USERJOE:USERJOE@HERMES.BC.EDU; USERJOE is the username.
- Type your password at the Password: prompt and press <RETURN/ENTER>.

If you have forgotten your PIN (Personal Identification Number) or password, you must go to the O’Neill Computing Facility **in person** and present your valid Boston College ID. An authorized person will reset it for you.

Final Exam Information

All courses have a scheduled exam time determined by the starting time of the course. This listing shows standard class meeting time exam assignments for undergraduate courses. In general, common exams are held at 4:00 P.M. If a course does not fit exactly into a module, it assumes the module corresponding to the closest class meeting time. For example, a class meeting T TH 11 is assigned module 10 (T TH 10:30*). In situations where the non-standard time falls **halfway** between two modules, use the module for the later time. For example, a class meeting M W F 9:30 is assigned module 03 (M W F 10).

All graduate courses meeting **once a week** and undergraduate courses that start at 4:00 P.M. or later and meet **once a week** will have final exams on the first regular class day that occurs during the exam week. All graduate courses meeting **more than once a week** and undergraduate courses that start at 4:00 P.M. or later and meet **more than once a week** will have final exams on the class day that is earliest in the calendar week. For example, the final exam for a T TH 4:00 P.M. class would be held Tuesday at 4:00 P.M. Exams will be held at the usual class meeting time and location unless otherwise posted on the exam schedule.

The meeting place for each exam will be posted in Lyons basement one week prior to the exam period. Exam information is also available on *U-View*.

If there is a storm during the examination period, there is the expectation that exams will be held as scheduled. In the very rare instance that the exam schedule is delayed or postponed due to inclement weather or other emergency situations, the first available of the following days will be used: the Sunday during the exam week, the afternoon of the last exam day, and the day after the last exam day. If rescheduling is necessary, announcements will be made on WBZ, WRKO, and WBMX, and on the Boston College INFO line (617-552-4636). For graduate and professional students, announcements concerning final exams will be made on the same radio stations and on 617-552-INFO. Students are responsible for attending final exams at the scheduled times. In addition, students should consider possible exam rescheduling when making travel plans at the end of the semester.

Students are expected to take no more than two final exams in any one day. If a student has three exams scheduled in one day and one of these is a common exam, it is the responsibility of the instructor holding the common exam to give a make-up exam. If a student has three regularly scheduled exams (this can happen if the student is taking a course that meets at 4:00 P.M. or later), the instructor teaching the course outside of the standard time blocks (8:00 A.M.-3:00 P.M.) should provide a make-up exam. In addition, if a student has a conflict between a common exam and a regularly scheduled late afternoon or evening course exam, the responsibility for a make-up lies with the instructor offering the common exam.

Massachusetts Medical Insurance

Commonwealth of Massachusetts Law has mandated that all students, graduate and undergraduate, taking at least 75 percent of full-time credit hours must be covered by medical insurance providing a specified minimum coverage. Determination of whether or not a graduate student is required to enroll in the insurance program is based strictly on the actual number of credits for which the student is registered each semester. Students in Graduate School of Arts and Sciences, Advancing Studies, Education, Nursing, Management, and Social Work who register for 7 or more credits are considered 75 percent of full-time.

Boston College will offer all students—graduate and undergraduate—the option of participating in the plan offered at the University or submitting a waiver if they have comparable insurance. The details of the University’s Insurance plan are available on the *U-View* system or on the web at <http://agora.bc.edu/>. Students may waive the BC insurance plan by completing the electronic waiver form on *U-View* or on the web. Students under the age of 18 are required to submit a written waiver form with the signature of their parent/guardian. This form is available for download on the web at <http://www.bc.edu/studentservices/>. The waiver must be completed and submitted by October 2, 2006, for the fall semester and by February 5, 2007, for the spring semester. Students who do not complete a waiver by the due dates will be enrolled and billed for the BC plan.

Students registering for less than 75 percent of a full-time course load or students who initially register as full-time and then drop below 75 percent who wish to enroll in the insurance plan must be in a degree-granting program. Such students enroll directly with the insurance company using the part-time enrollment form available at the Boston College Health Services Department in Cushing Hall or on the web at <http://www.bc.edu/studentservices/>. The coverage becomes effective upon receipt of the application and payment by the insurer if received after the due dates above.

Note: All doctoral students as well as international students at Boston College will automatically be charged for the Boston College Medical Insurance regardless of credit hours unless a waiver is submitted showing comparable insurance.

Withdrawals and Refunds

Fees are not refundable.

Tuition is cancelled subject to the following conditions:

- Notice of withdrawal must be made in writing to the Dean of the student’s school.
- The date of receipt of written notice of withdrawal by the Dean’s Office determines the amount of tuition cancelled.

The cancellation schedule as published in the University catalog will apply to students withdrawing voluntarily, as well as to students who are dismissed from the University for academic or disciplinary reasons.
